

Francesca Scaricamazza
Manager

Bologna, Italy

+39 051 0472830 - francesca.scaricamazza@uniaudit.it

Professional Experience

Francesca has accumulated extensive experience in the realm of Assurance services. She serves as the head of auditing activities for corporate financial statements prepared according to national accounting principles.

Francesca has developed expertise in auditing international financial statements adhering to IAS/IFRS and US GAAP for both Italian companies and Italian subsidiaries of multinational groups. She has actively participated in internal audit assignments and Section 404 of the Sarbanes-Oxley Act (SOX) compliance for subsidiaries of publicly traded American companies. With a significant focus on the service industry and organized distribution, Francesca brings valuable experience to these sectors.

Education and Professional Qualifications

Master's degree in economics, Management, and Professions from the University of Ferrara. She is also an instructor in internal training courses within the company, focusing on topics related to accounting and auditing. Francesca is a native Italian speaker and has a good command of the English language.
